The APL is located online at: www3.dot.state.fl.us/trafficcontrolproducts/. The online APL is the official listing of approved products. Always view the APL online for the most current product approval information. Future correspondence related to each product must reference the certification number.

This approval is not an endorsement of the product. Any modifications made to the device must be reviewed and approved by the Department prior to sale/use of the modified device. Failure to do so may cause removal of the device from the APL.

For questions regarding this approval please contact Carl Morse at (850) 410-5417.

Sincerely,

Mark C. Wilson, P.E.
State Traffic Operations Engineer
